A Powerful New Partnership Supporting your AML Compliance

Real Experts. Smart Tech. Tailor-made for the Art Market.

Stay Compliant. Save Time. Focus on What Matters.

FCS Compliance is an expert in the provision of AML services, offering a full suite of solutions for the Art Market.

In an exciting new partnership venture with Eunomart, a full-service and internationally established AML platform, we are expanding on our existing Customer Due Diligence (CDD) service to give you access to

their CDD system that is specifically designed for Art Market Participants (AMPs), and makes CDD queries faster.

This partnership offers customers a day-to-day AML tech solution that gives easy access to human support for complex queries and all your other AML needs, for an affordable price.
